# Z370R ELECTRIC ZTrak™ Zero Turn Mower

## WHAT SETS US APART:

- Huge 3.2kWh (3.56 kWh max) Lithium-ion Battery that can mow up to 2 acres on a single charge.
- Zero operating emissions and with reduced operating noises.
- 42-in Accel Deep™ Deck driven by dual electric motors.
- Battery is IP66 weatherproof, so it can be easily washed afterwards and comes with a 5-year/200-hour warranty.
- Exclusive 'Home Mode' switches blades off when the battery is nearly flat, so you can get to a charger in time.
- No fuels or belts means maintenance time and costs are significantly reduced.
- Super quick around the yard. Has same ground speed as Z300 petrol machines. 5-year/200-hour Battery Warranty<sup>2</sup>
